Mondays-Check into your homeroom class by 7:40-attendance is required-teachers will take roll. Homeroom will have a Social/Emotional lesson plan that will take approximately 15-20 minutes to complete. The remainder of the time will be teacher office hours. You may stay with your teacher to get help/enrichment or you may go to a different google classroom if you need enrichment/help. Homeroom will rotate through your schedule, so you will have the opportunity to meet with all of your teachers throughout the school year. Please note the homeroom schedule on the back side of this paper. The rest of Monday is remote learning. You will check all of your classes and begin your work for the week.

Remote Learning the rest of the week=When you are not physically in the building, you still attend your classes. You will check into your classes via Google Classroom-this is mandatory-attendance will be taken in the first 5 minutes of class. You will then access your curriculum via your Chromebook with the lessons your teachers have provided. You attend your classes just like you are in the building.
